SUMMER 2023

A Walking Mystery

Jesus sometimes seems like a mystery, and even His friends didn't understand why or how He did some things. Usually He did these strange things and impossible miracles to make a point!

One day, Jesus told His disciples to get in their boat and cross the Sea of Galilee, while He left to pray by Himself. In the middle of the night, strong winds rose and huge waves threatened to sink the boat!

Then the disciples saw someone coming toward them, walking on the water! They were afraid He was a ghost, but Jesus said, "don't be afraid, take courage. I am here!" Peter asked, "Lord, if it's really you, tell me to come to you, walking on the water." Jesus told him to come, so Peter stepped out of the boat and began to walk on the water toward Jesus!

But when he noticed the waves around him and got distracted from Jesus, he began to sink. Jesus grabbed Peter to keep him from sinking. "You have so little faith," He said. "Why did you doubt me?" Jesus brought Peter safely to the boat, and all the disciples worshiped Him, saying, "You really are the Son of God!"

"Lord, help!" they cried in their trouble, and he saved them from their distress. He calmed the storm to a whisper and stilled the waves. What a blessing was that stillness as he brought them safely into harbor! Let them praise the Lord for his great love and for the wonderful things he has done for them.
