

Gingerbread House Challenge!

Have you ever made a gingerbread house? Well, if you have or haven't, here is your chance to make it all new, like never seen before! Instead of using "gingerbread," use supplies from around your house. (Make sure you ask your parent or guardian first!)

Here are the steps:

- 1) Write down the supplies you have in your house (like Pop Tarts, graham crackers, cereal, candy, or pretzels!)
- 2) Imagine a house with those supplies, and draw out your "dream gingerbread house."
- 3) Make the gingerbread house! (Note: Don't forget to put a plate or something you can move underneath it.)
- 4) Take a picture, and send it our way! We would love to see your fun creation!

My dream gingerbread house!

My Supplies:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
