

## MYSTERY CASE #1:

Three friends named Jenny, Chris, and Piper each ate a piece of fruit. **None of them ate the same fruit.** Can you figure out who ate the strawberry with these two clues? Use the grid by writing "yes" or "no" in each space.

### CLUES:

Clue 1) Chris ate the piece of fruit that is the same color as his hair.

Clue 2) Jenny did not eat the strawberry.

JENNY

CHRIS

PIPER

**Case Closed:**

**Who ate the strawberry?**
