

# YOUTH HAVEN KIDS' CONNECTION

Harvey and his friends are exploring the unknown world of outer space! God created an amazing universe, and there is so much to learn!

Did you know there are actually people who live in space? They are on the International Space Station right now! They have had to learn a whole new way of life, because things in space are not like they are here on Earth.

A long time ago, some people were taken to a strange new place and had to learn a new way of life. But they also knew it was important to keep following God. Look inside to learn more!

Go to [havenforkids.fun](http://havenforkids.fun) for more of Harvey's space adventures!

# IN MY WORLD

## MOON LANDING

The first people to land on the moon were American astronauts named Neil Armstrong and Buzz Aldrin. Their mission was called Apollo 11, and they landed on July 20, 1969. Neil Armstrong was the commander of the mission, and he was the first person to ever walk on the moon! Here are some cool facts about the moon landing:

- ➔ They traveled 240,000 miles in 76 hours
- ➔ The Apollo 11 spacecraft was divided into two parts, a command module and a lunar module. Only the lunar module landed on the surface of the moon.
- ➔ A third astronaut named Michael Collins was also part of the Apollo 11 mission. He stayed in the command module while Neil Armstrong and Buzz Aldrin took the lunar module to land on the moon.
- ➔ Neil Armstrong and Buzz Aldrin slept on the moon that night in the lunar module!
- ➔ The United States landed on the moon 5 more times after that. The last time a man walked on the moon was 50 years ago, in 1972.

## CHALLENGE

Did you know the moon doesn't actually shine its own light? It only reflects the light from the sun! That's why it looks like it changes shapes. The earth sometimes blocks the sun's light from hitting all or part of the moon! The moon is still the same shape, but part of it is dark because of the earth's shadow.

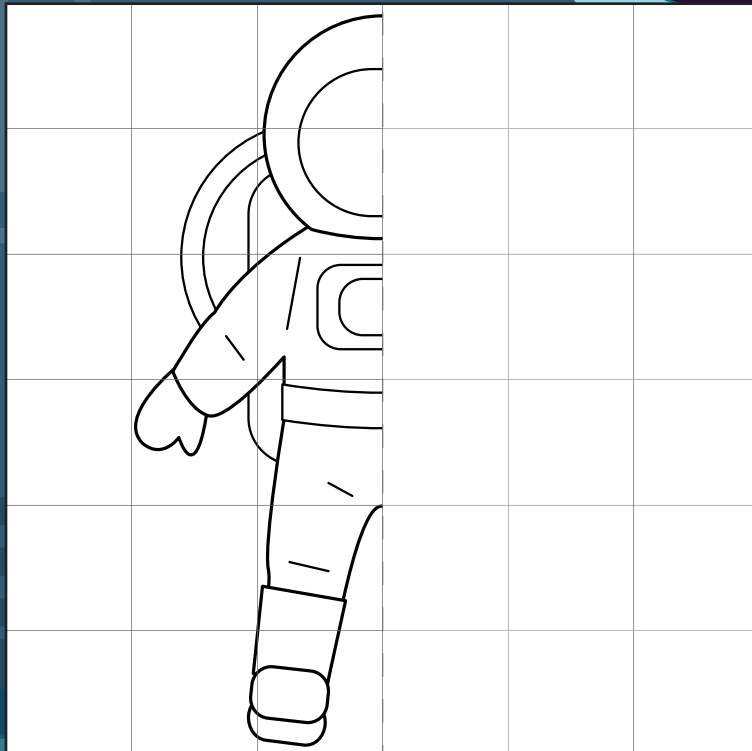

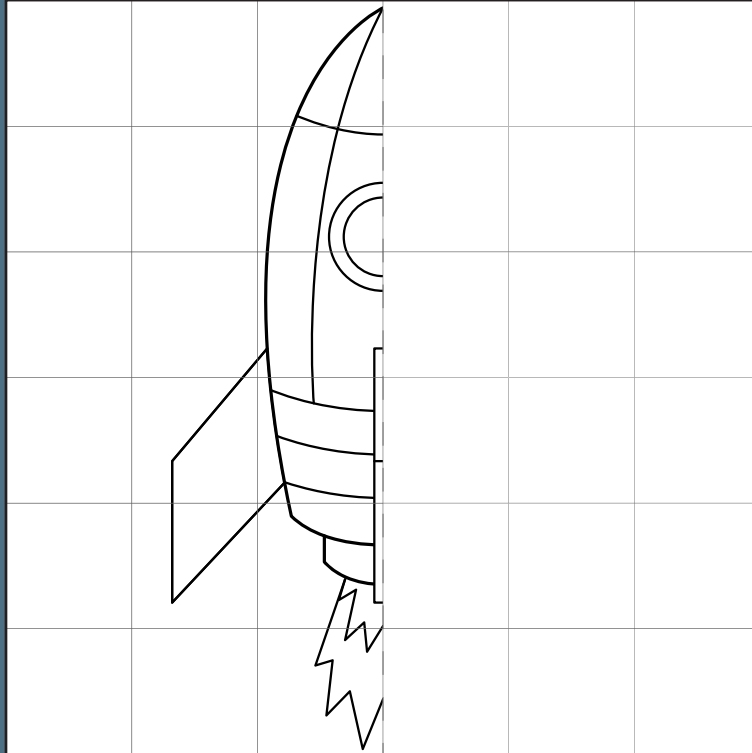

Have some fun with shadows! Set up a flashlight so it's shining on the wall. Then hold different objects in the light to create shadows on the wall. Do the shadows look like you thought they would? Now try making different shadow shapes with your hands. Go to [havenforkids.fun](http://havenforkids.fun) for some ideas!

Shadrach, Meshach and Abednego would not \_\_\_\_\_ his golden statue, so he had them thrown into a blazing \_\_\_\_\_.

They were not burned in the flames because God sent his angel to \_\_\_\_\_ them.

**A long time ago, there was a powerful king named Nebuchadnezzar. We'll call him Neb for short. He was the king of a place called Babylon, and he had made Babylon into a great empire.**

**Most of the people of Israel had stopped following God, so He let Neb take control of Israel. Neb found the smartest and strongest young men and took them to Babylon to become his royal servants.**

**Three of those men were Shadrach, Meshach, and Abednego.**

**Neb didn't follow God, and he was pretty proud of himself for everything he had done. He built a giant gold statue that was 90 feet tall and told everyone they had to bow down to it.**

**Shadrach, Meshach, and Abednego loved God and knew God only wanted them to bow down to Him. So they refused to bow down to Neb's gold statue, which wasn't really a god at all!**

**Neb's power was very important to him. So when he found out they would not obey him, he was angry! He gave an order to have them thrown into a blazing furnace. He even heated it seven times hotter than normal!**

**Shadrach, Meshach, and Abednego were not afraid. They knew God was more powerful than Neb, and He could save them. Even if he didn't save them from the fire, they trusted in His plan.**

**God did not keep them from being thrown into the fire, but He was with them in the fire and kept them from being burned. When Neb pulled them out, they didn't even smell like smoke! God showed everyone that He is powerful and that He cares for His people!**

## THINK ABOUT IT

Shadrach, Meshach, and Abednego loved God and followed Him, even though the people around them didn't. But they still went through some really hard things!

God doesn't promise that if we love Him, we'll never face hard times again. Even Jesus went through hard times, and He was God's Son! Jesus never did anything wrong, but He died to take the punishment for all the wrong things we've ever done.

Because of what Jesus did for us, we can live with Him forever in Heaven someday if we choose to follow Him. We will still face hard times in our lives, but He will always be with us and help us through them!
