REAL LIFE HEROES

William Cameron Townsend didn't have any special powers, but he trusted God to help him do something amazing! About 100 years ago, he took Spanish Bibles to a country in South America called Guatemala. When he got there, he learned that most of the people didn't speak Spanish and couldn't read the Bibles he had brought. There were many different groups of people that spoke their own languages, but there were no Bibles in those languages.

William Cameron Townsend wanted everyone to be able to read the Bible! He lived with the people of Guatemala, learned their language, taught them important skills, and copied the Bible into their language so they could read it. He started three organizations that still study languages, copy the Bible into those languages, and take it to people in countries all around the world. William Cameron Townsend is a real-life hero!

CHALLENGE

You can be a real-life hero, too! Just think of something you can do to help someone else, then do it! Here are some ideas:

- Make a get-well card for someone who's sick
- Help clean up after a meal and wash the dishes
- Help a younger brother or sister with a chore
- Take care of the family pet if you have one
- Hold the door open for someone

Can you think of something else? Give it a try!
